List each partner's programs providing service through Virginia's Career Works Center: If the allocation is for a Comprehensive Center, at minimum, all partner programs as required by the Virginia Combined State Plan must be included.

-Once program is inserted in Column A row within table above, the balance of the spreadsheets will be automatically populated with the program name information. The balance of the spreadsheets should be formatted appropriately to display the information.

Square Foot Occupied is the sum of the floor area of each office, work station, or other room or space that is assigned to or reserved for the use of one or more partners rather than being shared by all.

The direct costs should be those costs of service delivery that pertain specifically and only to the program listed and billed directly to the partner administering the program. These costs will be subtracted from the total budget amount listed in the One-Stop Center Budget spreadsheet and will result in identifying the shared (Indirect Costs).
